DETAILED ACTION

Allowable Subject Matter

1. Claims 1 through 3, 5-13 are allowed over the prior art of record. The following is an examiner's statement of reasons for allowance: the prior art of record Lustial teaches a light guiding plate for guiding light emitted from said light source and scattering said light from one surface, (see page 2, paragraph 0030-0034).

On the other hand, the present applicant specifically teaches wherein the light guiding plate, which is a flat plate like member having substantially the same shape as that of the surface lighting portion, is disposed on a sheet like reflecting member to reflect upwardly the vertically downward light scattered from the light guiding plate. These limitation , in conjunction with all other limitations , has not been disclosed , taught or made obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
